

THE WEEK

in my front lawn. It's called Cinnamon Apple Berry, and it's the strongest candle I've ever found. You'd never know I have two dogs and a teenager in my house. I burn Cinnamon Apple Berry one week, and Vanilla Maple Pecan the next. People who want nothing to do with me are coming over again. They have more than 1,000 scents, but I

stick with baked goods. Because TexasTripleScented.com doesn't pay retail rent, its candles are a bargain. And shipping is a flat \$8.95 no matter how many you order.

you go on television and say something so offensive, so stupid and so bigoted as comparing President Barack Obama to Adolf Hitler, you deserve to be shouted down. Even Fox News hosts backed away from Junior's idiotic comment. The Dixie Chicks paid the price for saying President George W. Bush was an embarrassment. Now it's Junior's turn. Whatever you think of Obama, and let's face it, the country's economy is reeling, he isn't systematically exterminating millions of innocent people in hopes of creating a master race. Junior's so-called apology ("I'm sorry if my comment offended anybody") was almost as repulsive as his original statement. Hank Williams Jr. is to Hank Williams as Frank Sinatra Jr. is to Frank Sinatra. The acorn fell a million miles from the tree this time. Besides, *Are You Ready For Some Football* is a lame song. See you back in the bars, Hank Williams Jr.

Classy farewell for Andy Rooney on *60 Minutes* ... calling your fans "idiots."

Ideal home: TexasTripleScented.com, the local homemade candlemaker, has a new candle that makes my house smell so incredibly good, I'm tempted to put a "For Sale" sign
